

Important Notice – CANVIO™ Series (Products, DTW1xx, DTC8xx, v73600-x, DTD2xx that contained Pogoplug® PC)

Cloud Engines, Inc. announced Pogoplug® PC for Toshiba Users will permanently cease operation and support on September 30th, 2017 at 11PM (Pacific Daylight Time) and new user registrations will be disabled as of June 1, 2017. Toshiba will permanently cease support at the same time. This change applies to all Pogoplug® products including but not limited to the free cloud storage services, the Pogoplug® Backup Software, Pogoplug® Remote Access, the Pogoplug® web application, and Pogoplug®’s mobile apps. After September 30th, 2017 at 11PM (Pacific Daylight Time) any data still remaining on Pogoplug®’s servers will be permanently destroyed.

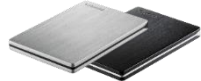

Cloud Engines, Inc. Web Page Notice: www.pogoplug.com/toshiba

Please be sure to back up your necessary data stored in the Pogoplug® cloud storage services to your local storage devices before September 29th, 2017 at 11PM (Pacific Daylight Time).

If you require assistance, please contact support by emailing toshibasupport@pogoplug.com or by emailing Pogoplug® main support line, support@pogoplug.com.
